CC Docket No. 02-6

Dear Ms. Dortch:

We would like to appeal the denial of payment to our service provider for FRN 1969827. In the completion of Form 471, I mistakenly entered the costs as monthly recurring charges. We were requesting funding for Internal Connections, which should have been entered as annual one-time charges. We are requesting that the monthly recurring charges on the Form 471 be changed to annual one-time charges.

We have previously submitted an appeal to USAC for this change and that appeal was rejected for being past the 60-day deadline. Therefore, we would also like to request a waiver of the 60-day deadline for appeals.

We appreciate your consideration of our request.

Sincerely,

Kenny Wilson
